

Welcome to „Sprache und Kultur“ at the SDI Munich.

We offer two 4-week-online summer programs for foreign students interested in German language and culture

Your advantages

- Make learning German your personal success story
- Learn Europe's most widely-spoken language for university studies and work.
- Become informed about German Geography, History, Culture and Art.
- Discover Munich and its surroundings through videos, local press and web visits.
- Enjoy an international summer with your class mates from all over the world.
