1. A total of 135 credits are required for graduation: 46 credits of university required courses + 4 credits of college required courses + 60 credits of department required courses + at least 21 credits of interdisciplinary program courses (6 credits of Interdisciplinary Cores + 15 credits of Department Electives) + 4 credits of elective courses. A bachelor's degree and a certificate of program completion will be conferred at graduation.

(1) There are two program interdisciplinary programs offered: European Business Affairs and European MICE and Translation.

(2) If students need to change the program, the newly replaced program course must still be at least 21 credits.

(3) Internship courses can be counted as general elective credits.

★ Please apply for the self-directed learning course in accordance with the "Implementation Guidelines for Self-Learning Courses of Wenzao Ursuline University of Languages".

2. Students have to pass the Language Proficiency Test standards required.

3. Students are required to satisfied other graduation requirements of the school.

★ For the required general education courses, must choose one course each from Society, law, and Politics group, Nature and Aesthetics group, Science and Popular Scientific Education group and Advance general education.

★ The exact list of general education course to be offered is subject to the arrangement of the General Education Center's course catalog of the academic year. Prior to graduation, please check whether you have fulfilled the course requirement for each group.

★ These elective courses listed are for reference only, please refer to the latest list on each department website every year to make sure the courses are available.

★ The elective courses offered by each department are department electives for students in that department. While for students from different departments, those courses only count as general elective courses. (Different in credit)

★ Should there be any changes in the course schedule of the department, please refer to the newest version.
